1. Hull and floats · Floats and beams

No.	Part no.	Name
7	10320BLU	Hull signage 'Wētā' sticker blue
8	10320WHT	Hull signage 'Wētā' sticker white
9	10420	4" Inspection hatch
10	10315	Carbon float hull bow protector (Pair)
11	10400GRY-P	Wētā Float Port Hull Grey
12	10400GRY-S	Wētā Float Starboard Hull Grey
13	10430	Beam end plug (Fibreglass)

Interactive diagram: https://www.proasail.com/en/weta-despiece-casco-y-flotadores

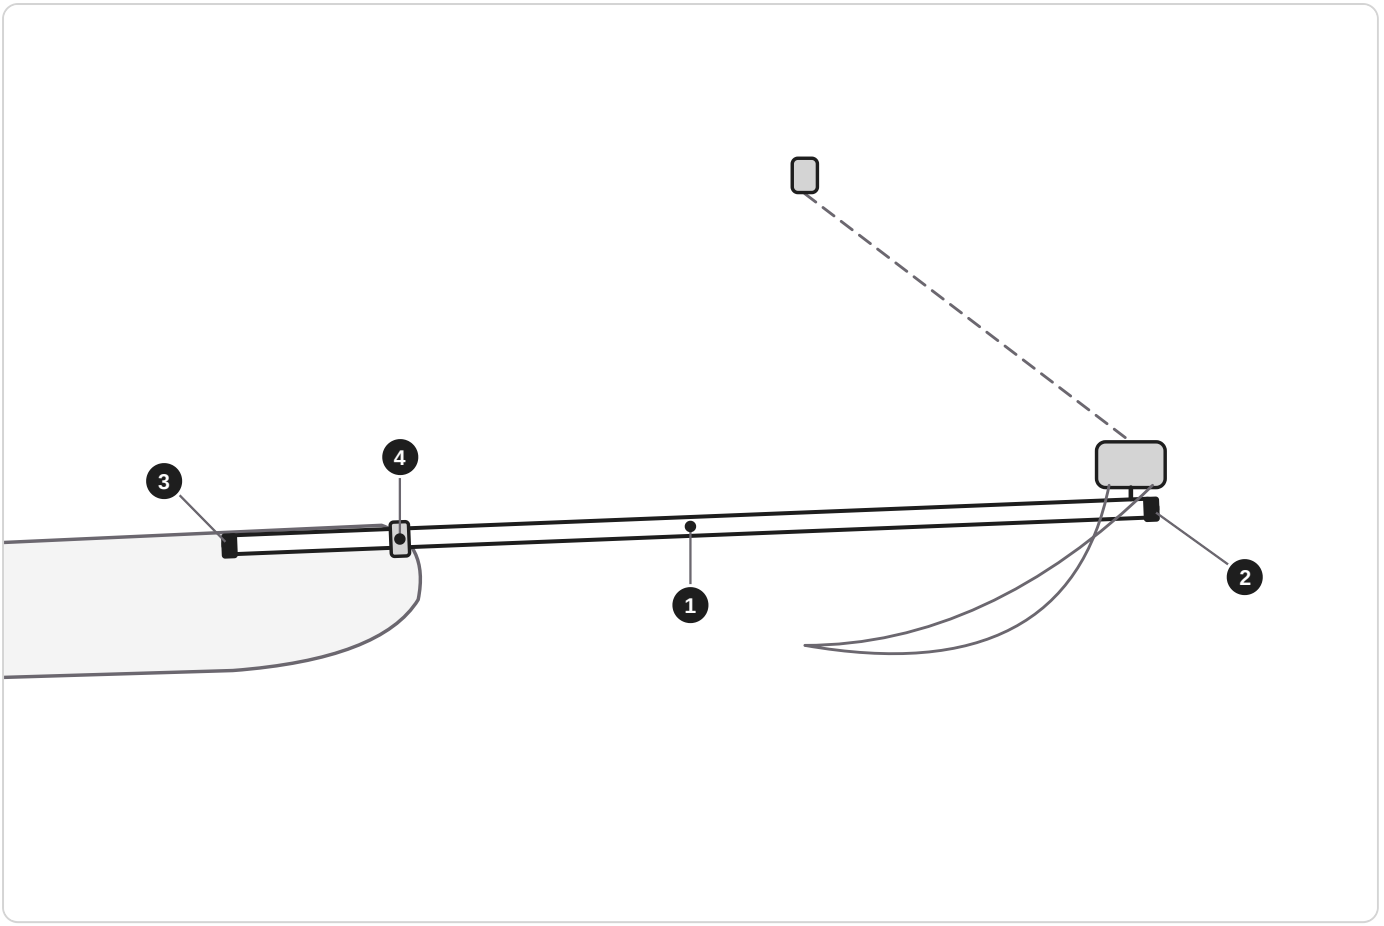

2. Mast and spars

No.	Part no.	Name
1	20100	Mast complete (Includes all fittings)
2	20111	Mast-track (per meter)
3	20200	Mast top section with all fittings
4	20231	Mast sheave
5	20232	Carbon sheave moulding insert
6	20234	Bolt and nut with sleeve
7	20300	Mast bottom section with all fittings
8	20320	Sail feeder
9	20350	Mast Velcro
10	20351	Mast step
11	20352	Mast base plug
12	20110	Mast track (3 m length) (not in the shop)
13	20233	Stainless nut/bolt with stainless sheave (not in the shop)

Interactive diagram: https://www.proasail.com/en/weta-despiece-arboladura

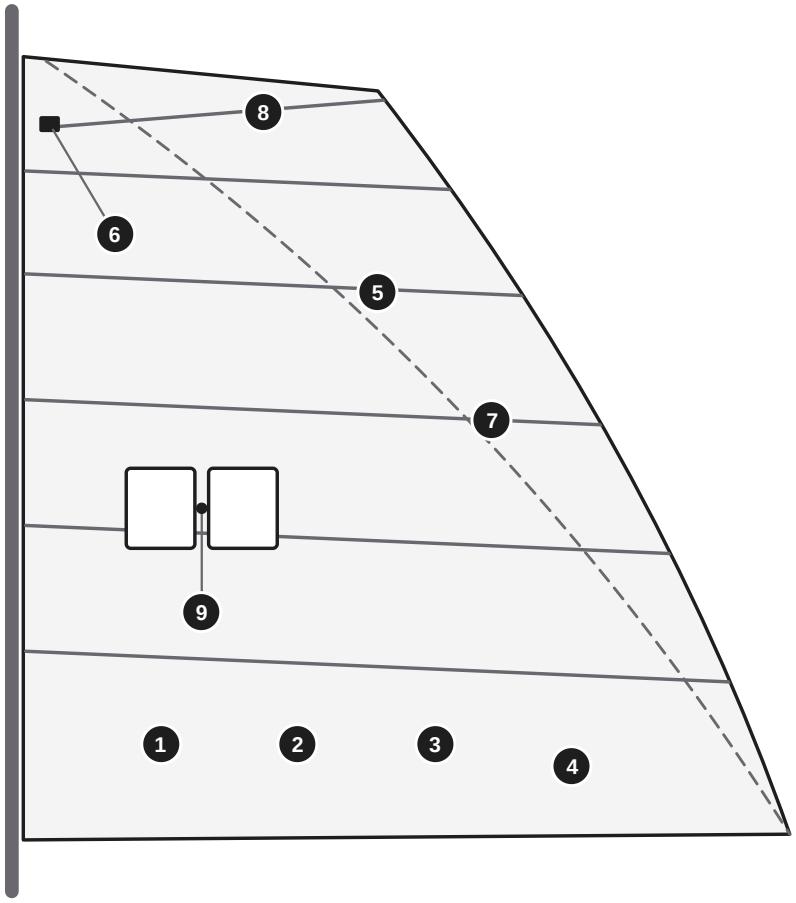

3. Bowsprit

No.	Part no.	Name
1	20400	Prod tube complete (furler not included)
2	20410	Prod tube front end plug
3	20415	Prod tube rear end plug
4	20440	Stainless prod clamp (with bolt)

Interactive diagram: https://www.proasail.com/en/weta-despiece-botalon

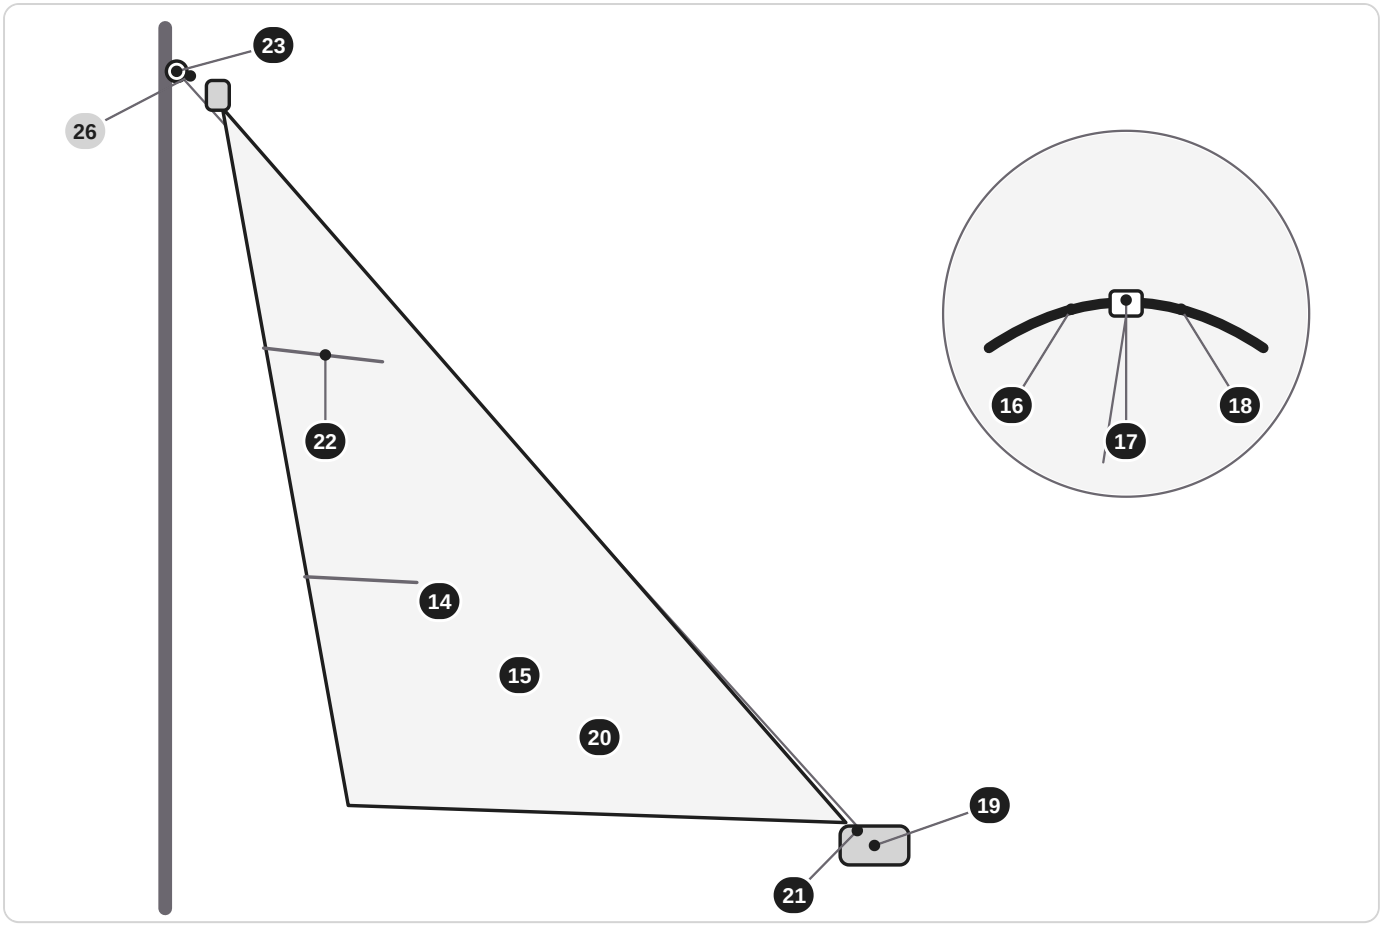

4. Sails · Mainsail and battens

No.	Part no.	Name
1	30100	Mainsail - 8.3 Standard, incluiding sail bag
2	30101	Mainsail - 9.3 Squaretop, incluiding sail bag
3	30400	Mainsail - 8.3 dacron, incluiding sail bag
4	30600	Mainsail - 6.5 small, incluiding sail bag
5	30111	Main batten set
6	30215	Square Top Batten Tension Rocket
7	30216	SQ Main batten set
8	30217	SQ Main - Top batten only
9	30750	Sail numbers (per digit)
10	30710	Norths Sails bag - 6.5 main (small) (not marked on the drawing)
11	30711	Norths Sails bag - main (not marked on the drawing)
12	30712	Norths Sails bag - Dacron main (not marked on the drawing)
13	30742	Norths Sails bag - Square top main (not marked on the drawing)

4. Sails · Gennaker

No.	Part no.	Name
27	30300BLK	Gennaker - Black
28	30300BLU	Gennaker - Blue
29	30300RED	Gennaker - Red
30	30300YLW	Gennaker - Yellow
31	30300ORA	Gennaker - Orange
32	30300LIL	Gennaker - Lilac
33	30300PNK	Gennaker - Pink
34	30720	Norths Sails bag - Gennaker (not marked on the drawing)

Interactive diagram: https://www.proasail.com/en/weta-despiece-velas

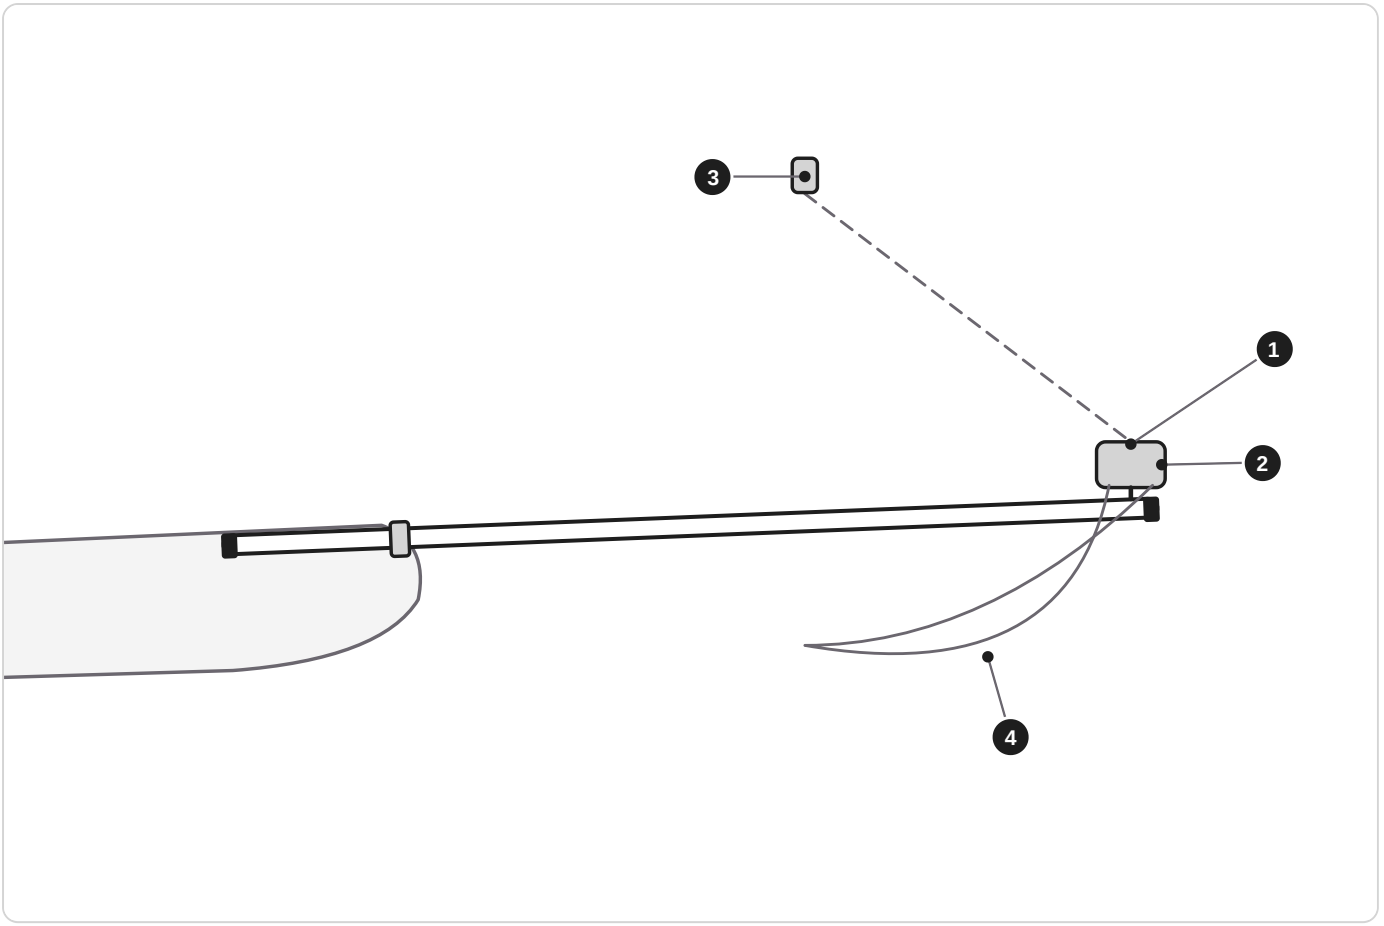

5. Foils (centreboard and rudder)

No.	Part no.	Name
1	40100	Carbon fibre centreboard
2	40200	Carbon rudder assembly complete excl tiller extension
3	40210	Carbon rudder stock
4	40250	Fiberglass lockdown rod
5	40251	40mm lockdown repair tube
6	40255	Carbon lockdown cap (Replacement for stainless caps)
7	40260	Carbon rudder blade
8	40270	Rudder Pin
9	40279	Carbon tiller extension one piece
10	40280	Carbon tiller extension two piece
11	40281	Twin tiller extension kit (including 1 tiller extension)
12	40500	Foil bag (not marked on the drawing)
13	40283	Universal tiller extension (not in the shop)

Interactive diagram: https://www.proasail.com/en/weta-despiece-apendices

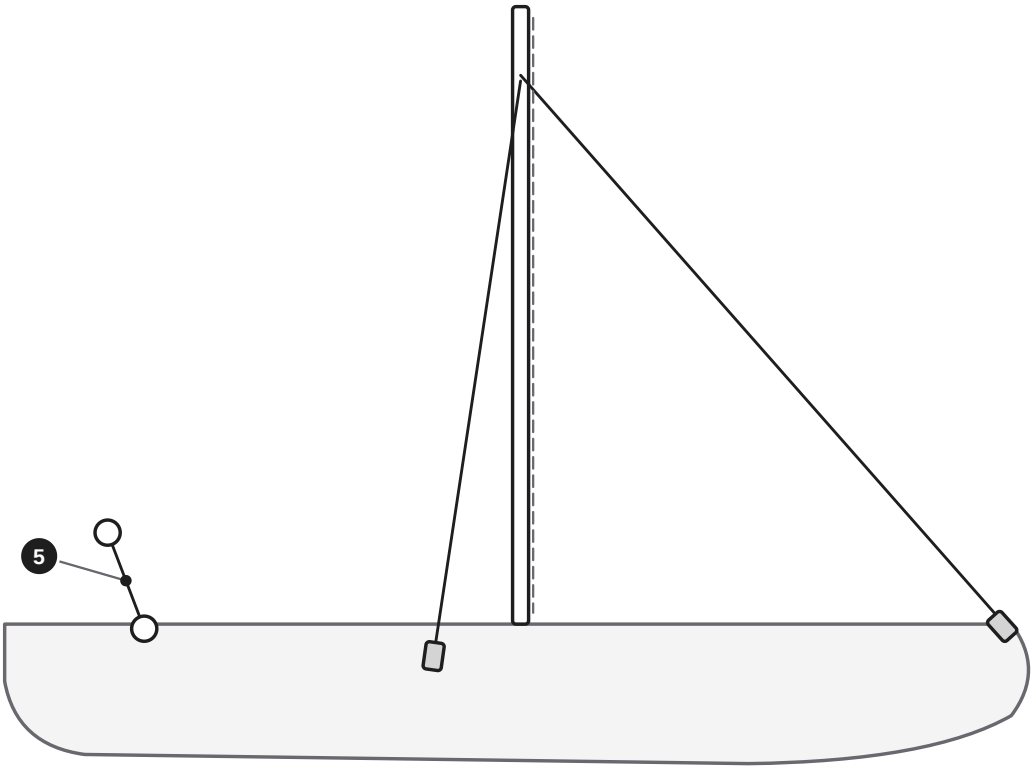

6. Rigging and ropes · Bowsprit and gennaker furler

No.	Part no.	Name
1	50100	Ronstan continuous furler complete set 60 series
2	50110	Ronstan continuous furler bottom drum without line
3	50120	Ronstan continuous furler top swivel only
4	50130	Ronstan continuous furler line

Interactive diagram: https://www.proasail.com/en/weta-despiece-jarcia-y-cabuyeria

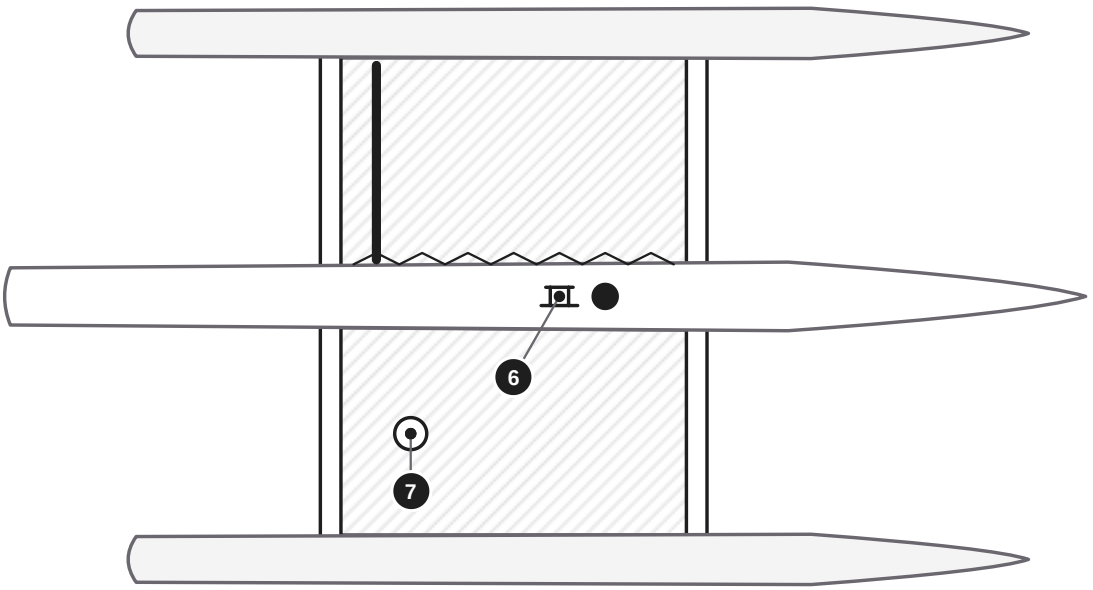

6. Rigging and ropes · Rigging and ropes

No.	Part no.	Name
5	50900	Set of ropes for Wētā

Interactive diagram: https://www.proasail.com/en/weta-despiece-jarcia-y-cabuyeria

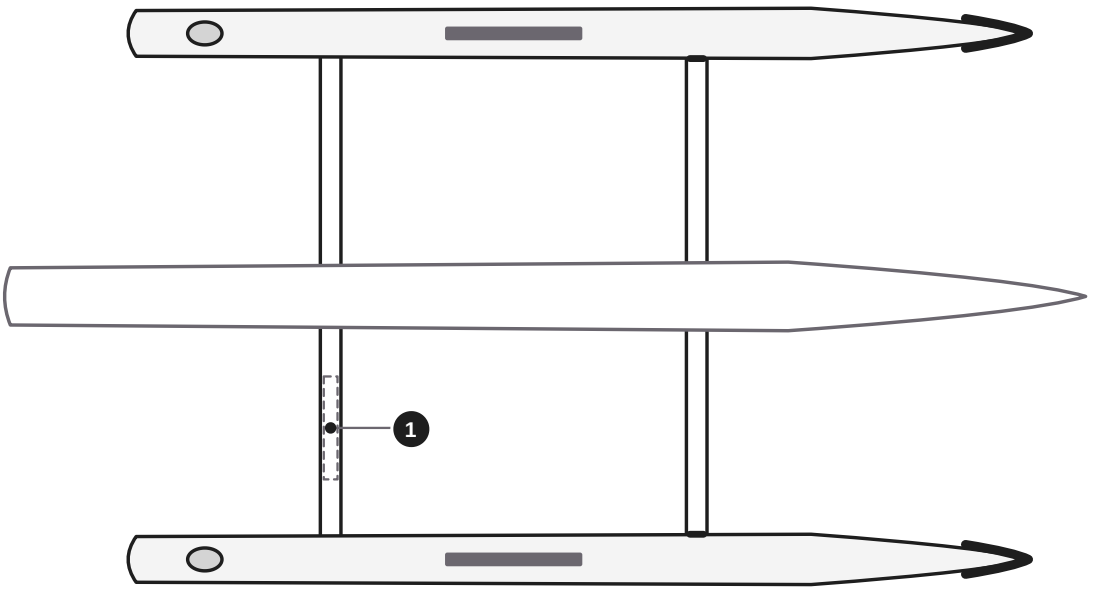

6. Rigging and ropes · Trampolines and deck

No.	Part no.	Name
6	50700	Horn cleat
7	50140	Ronstan auto-ratchet block O-55 for gennaker sheet

Interactive diagram: https://www.proasail.com/en/weta-despiece-jarcia-y-cabuyeria

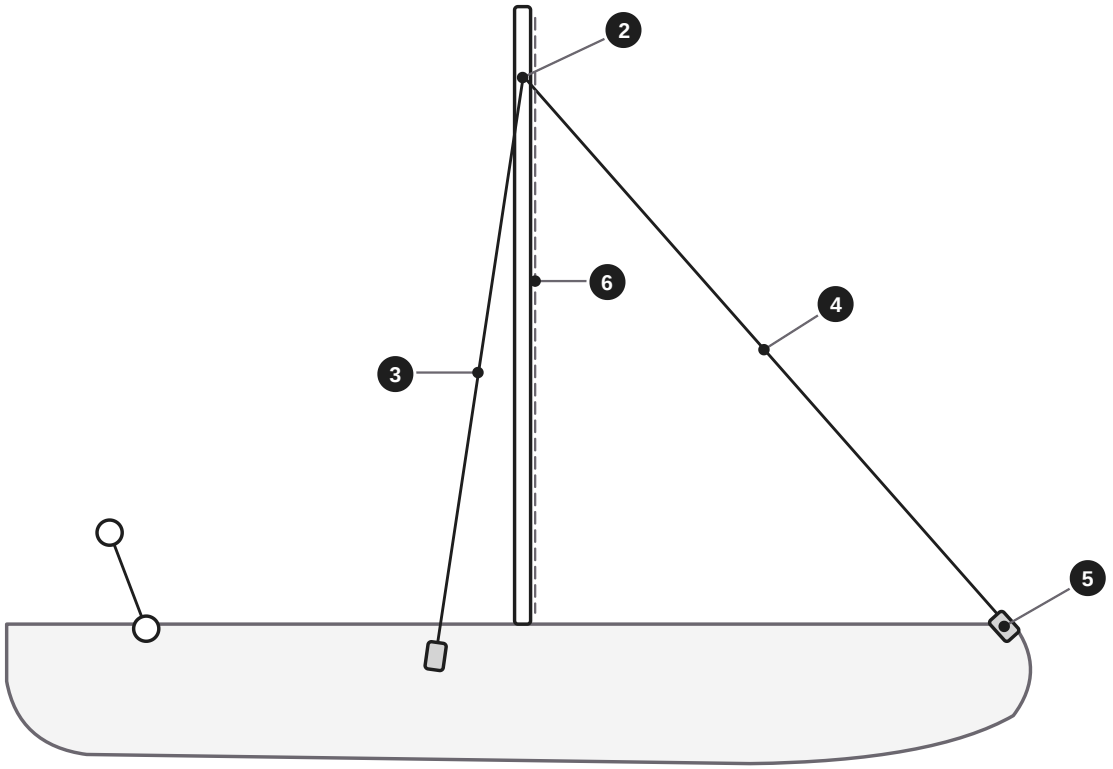

7. Miscellaneous · Floats and beams

No.	Part no.	Name
1	60400	Beam Repair Insert Tube

Interactive diagram: https://www.proasail.com/en/weta-despiece-miscelanea

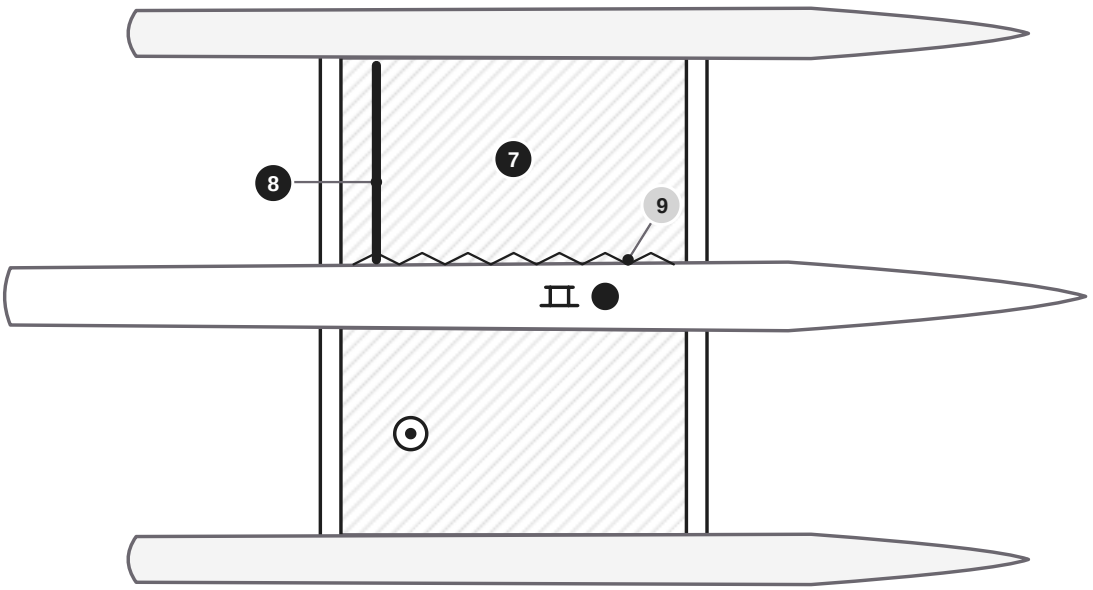

7. Miscellaneous · Rigging and ropes

No.	Part no.	Name
2	60130	Set of stays
3	60132	Sidestay
4	60134	Forestay
5	RF2330	Stay adjuster
6	60121	Spliced dyneema core main halyard

Interactive diagram: https://www.proasail.com/en/weta-despiece-miscelanea

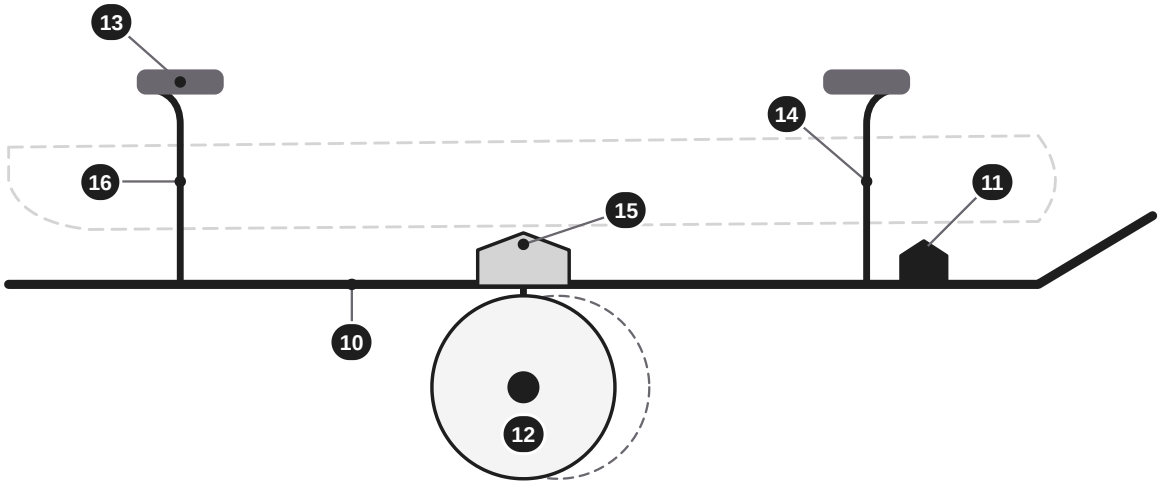

7. Miscellaneous · Trampolines and deck

No.	Part no.	Name
7	60105	Trampoline Pair port + starboad with lines
8	60125	Rear hiking strap
9	60106	Tramp tensioner (not in the shop)

Interactive diagram: https://www.proasail.com/en/weta-despiece-miscelanea

7. Miscellaneous · Launching trolley and trailer

No.	Part no.	Name
10	60200	Beach trolley complete
11	60206	Trolley V-Chock
12	60205	NZ beach trolley wheel nylon bush bearing (per pair)
13	60340	Beach trolley protection foam (1 support length)
14	60341	Complete set of trolley supports (Includes all moose horns)
15	60342	GRP Centre trolley support
16	60345	Bolt-on Moose Horn (NEW) [Select one - FS/FP/RS/RP]
17	RC-RSV	CBS Road trailer (not marked on the drawing)

Interactive diagram: https://www.proasail.com/en/weta-despiece-miscelanea

7. Miscellaneous · Other items

No drawing: these items are not fitted to the boat.

No.	Part no.	Name
18	60220	Wētā Cap - Grey (not marked on the drawing)
